Citizenship: Indonesian
Languages: English, Indonesian

Key Qualifications

Bustanul Arifin is Professor of Agricultural Economics in the University of Lampung (UNILA), Senior Economist with the Institute for Development of Economics and Finance (INDEF), and Professorial Fellow at School of Business in Bogor Agricultural University (IPB). Dr. Arifin has over 35 year-experience on a comprehensive range of research in food and agricultural policy, institutional change, and sustainable development strategy. He has a wide range of consultancy experience in the fields of economics and development issues for international agencies such as: World Bank, UNDP, FAO, ADB, USAID, AusAID, etc. Dr. Arifin earns a Ph.D. in resource economics from the University of Wisconsin-Madison (USA) and Sarjana (Bachelor) degree in agricultural economics from Bogor Agricultural University (IPB). Currently, he contributes his expertise as Food Policy Adviser for Coordinating Minister of Economic Affairs, President of Indonesian Society of Agricultural Economics (PERHEPI), Chairman of Statistical Society Forum (FMS) and Chairman of National Commission of Agricultural Extension (KPPN). He has completed his assignments as Agriculture and Food Policy Adviser at the Executive Office of the President (KSP), Director of INDEF, Adviser to the House of Representative (DPR-RI), Adviser to the National Team of International Trade Negotiation; Chairman of Expert Group of Food Security Council (DKP), Adviser to the Indonesian Chambers of Commerce (Kadin); and Member of the National Innovation Council (KIN). Dr. Arifin has published 45 titles of books in economics and development issues, including a sole author of 19 books. He has also authored over 80 articles in scientific journals, written and presented over 100 research papers in international conferences, and over 500 research papers in national seminars, workshops and conferences in Indonesia. Dr. Arifin is a well-known analyst on economics and development issues for national television and radio stations, and has written about 1,000 articles and columns in magazines and newspapers.
